The stand is easily constructed by attaching the shelf elements into the steel uprights to build a stand with strength and integrity. The unit can have a header, a back panel or sides attached.

Standard height 170cm including header and footer.  
60cm wide by 40cm deep  
Steel shelves, with plastic shelf edge or barker attached. Screen printed header can be offered in single or multi colour options.  
Flat packs for efficient shipping  
Each shelf can sustain 20kgs  
We offer bespoke customisation for the unit including shelf fittings, edgers and more
